

Little wonder

Max, owner Lara Shannon

LARA Shannon has her hands full working as a TV presenter, public speaker and ambassador for the Keep Australia Beautiful campaign, but her Maltese, Max, 8, demands his share of attention too.

“He likes to have a chat,” says Lara. “He’ll make funny noises if he feels he’s being ignored.”

And despite his diminutive size, Max has a big personality.

“He likes to strut around the streets and considers the neighbourhood ‘his turf’,” says Lara. “No gog is too big to cop his attitude.”

Keep Australia Beautiful Week starts tomorrow, www.kab.org.au
